

PRESS RELEASE

FRIDAY 21 FEBRUARY CEREMONY INAUGURATING THE NEW “MADONNA DEL MONTE” VIADUCT ON THE A6 TORINO-SAVONA MOTORWAY, FURTHER AHEAD OF SCHEDULE THAN EXPECTED IN ATTENDANCE, AMONG OTHERS, PAOLA DE MICHELI, MINISTER OF INFRASTRUCTURE AND TRANSPORT, AND GIOVANNI TOTI, PRESIDENT OF LIGURIA

Imperia, 14 February 2020 - On Friday 21 February the ceremony will be held to inaugurate the new “Madonna del Monte” viaduct on the A6 Turin- Savona MOTORWAY, further ahead of schedule than expected.

After the official presentation of the 58-meter long, 300 tonne steel deck on 26 January, work continued with the completion of the new paving and the installation of safety barriers with the highest level of containment.

Conclusion of the works was made possible thanks to the commitment and efforts of the companies that participated in the reconstruction of the viaduct and the close collaboration between everyone involved in the construction of this infrastructure which represents a strategic road axis connecting Liguria to Northwest Italy.

The inauguration ceremony will include, among others, Paola De Micheli, Minister of Infrastructure and Transport, Giovanni Toti, President of Liguria and Ilaria Caprioglio, Mayor of Savona.

In order to allow for the removal of the traffic diversion on the motorway to Turin, the viaduct will open to traffic at 6 a.m. on Saturday 22 February.
